Process Supplies & Accessories, Inc.

Valtek • Kammer • NAF • Gestra  
Accord • Noble Alloy

### Control Valve Products

Globe and Angle Body Control Valves to 42" and 4500# Class · Ball Control, Eccentric Plug, Butterfly, Severe Service, Low Flow & Precision Control, Bellows-Sealed, Flush Bottom Tank valves, Teflon Lined Control Valves · Sanitary Valves · I/P Transducers · Pneumatic & Electro-pneumatic Positioners · Smart Positioners and Controllers

### Pressure Measuring, Testing and Controlling Products

Pressure & Differential Pressure Gauges · Direct Drive Process & Test Gauges · Digital Test Gauges · Hand-Pumps · Diaphragm Seals · NIST Certified Dead-weight Testers and Comparators · Gauge, Manifold, Block & Bleed and Root Valves · Pressure Regulators and Controllers · Transmitters for Pressure, Differential Pressure, Level and Flow, PH, ORP, Conductivity, Density and Temperature including Analog, HART, Foundation Fieldbus and Profibus-Controls and Instrumentation for Automation-DIN & Panel Mount Controllers

### Temperature Measuring, Testing and Controlling Products

Bi-metal, Industrial and Remote Reading Thermometers · Thermocouples · RTD's · Thermocouple Wire · Thermowells · NIST Certified Temperature Block Calibrators · Temperature Regulators and Controllers-Polymer/Plastics Specialty Pressure & Temperature-Heating

### Level Measuring and Controlling Products

Level Gauges & Transmitters · Controllers and Switches including Mechanical, Magnetostrictive, Capacitance, Ultrasonic and Radar · Thermal Dispersion Flow, Level and Interface Switches

### Flow Measuring and Controlling Products

Flow Meters, Indicators, Transmitters and Controllers for Liquids, Gases and Steam · Batch Controllers · BTU Systems · Air and Liquid Filters

### Pressure and Temperature Switches

Pressure, Temperature and Differential Pressure Switches · Electronic Indicating Pressure, Differential and Temperature Switches with Analog Output-SIS

### Manual, Automated and Mechanical Valve Products

Gauge Valves · 2,3 and 5 Valve Manifolds · Block & Bleed Valves · Root Valves · Multiport Gauge Valves · Ball, Butterfly, Gate, Globe, Stop Valves and Check Valves in Carbon Steel, Stainless Steel and Alloys -Forged Steel Gate, Globe, & Check Valves- High Performance Butterfly and Ball Valves · Plug Valves · Metal Seated Ball Valves · Electric and Pneumatic Actuation Packages · Solenoid Valves

### Safety Relief Valves, Strainers, Blowdown, and Steam Specialties

Steam Traps · Condensate Pumps · Strainers · Isolation & Blowdown Valves for Low and High Pressure Service · Direct Spring and Pilot Operated Liquid, Gas and Steam Safety Relief Valves for ASME Section 1, IV and VIII Services · Drip Pan Elbows -Boiler Blowdown Valves Quick and Slow Opening
